

Privacy policy

This statement describes the ways in which the Bullying Radar application (from here on referred to as “Application”), accessible through the web address www.bullyingradar.eu, is managed regarding the processing of personal data of users.

Treatment holder

The Municipio Rome I Centro (from here on referred to as “Municipio”) is the holder of the treatment since it can decide how and for which reasons to collect and use the personal data provided by the user, with which tools to treat them and which security procedures to activate to ensure integrity, confidentiality and availability.

Purpose of treatment

All data collecting and subsequent processing activities are aimed at the pursuit of the following purposes:

- registration of a natural person to the Application;
- access to Application features, consisting of:
 - reporting perceptions about bullying at school
 - reading aggregated and anonymous statistics about the reporting provided to the Application
 - reading one’s own reports to the Application.

The data to be communicated through the Application constitutes the minimum set necessary to use the Application features and to ensure that the Application is accessed by a natural person and not by an automated robot. Failure in communicating the data does not allow to use the Application features.

Statistics regarding perceptions about bullying or bullying events show only aggregate information, anonymous or otherwise not revealing the identity of the user.

The Municipio will not use the data provided by users for purposes other than those related to the Application to which the user has access.

Data processing remains confined to Application.

Personal data

The only personal data required for using the application are the e-mail addresses. No sensible personal data are processed.

Communication of data to third parties

The Municipio will not provide the data provided by users to third parties.

User rights

Subjects to whom personal data are referenced have the right at any time

- to obtain confirmation of whether or not the same data exist and to know their content and source, to verify their accuracy or to request their integration or updating or rectification.

- to request the cancellation, transformation into anonymous form or the blocking of the data processed in violation of the law, and to oppose in any case, for legitimate reasons, their treatment. Requests must be addressed to the treatment holder's registered office.

Protection of minors

The Application does not contain any information or services that can damage children or their reputation.

Cookie Policy

The Application uses only strictly necessary technical cookies. These cookies are of a technical nature and allow the Application to function properly, for example, in order to keep the user logged in while browsing, preventing him from having to log in several times to access the pages. Technical cookies do not contain any information about the user of the Application or its behavior.
